REPORT ON FOREIGN MISSIONS.

The Southern Baptist Convention in session at Hot Springs in May decided that in order to take care of our Foreign Mission work, Scuthern Baptists should be requested to give One and a Half Million Dollars to this cause before the next meeting of the Convention. Compared with Southern Baptist numbers and wealth, and what they are doing for other objects and what others are doing for Foreign Mis-

sions, this amount is small.

The Foreign Mission fields represent a thousand millions of people, the most destitute and needy of all the inhabitants of the earth. The work conducted includes everything that our people and our churches are doing at home. A Million and a Half Dollars for this work will not equal a tenth of what we are diong on the same lines for the thirty odd millions who live in the South, to say nothing of the help which other Christians and denominations are giving to provide religious privileges for the people at home. A Million and a Half Dollars is a great advance upon what we have been doing, and we will have to betstir ourselves to realize it, but it does not measure our full duty in this matter.

God's blessings are upon Foreign Missions. Even the war is helping instead of hindering this great enterprise which Southern Baptists are conducting. There were 6,290 baptisms last year. We have now 464 churches on all the fields, of which 141 have assumed self-support. We have a church membership above 53,000 with 715 Sunday schools enrolling more than 34,000 scholars. In other schools which we are conducting we have enrolled 9,000 scholars. We are conducting theological schools in Japan, China, Africa, Italy, South America. We have but few doctors under appointment, and yet these gave more than 100,000 treatments last year. By His blessing upon

the work God is inviting us to enlarge it.

Eighteen new missionaries were appointed in June and many others are greatly needed. Doors of opportunity are open everywhere.

Every pastor and every chuch in the association is admonished to lay lage plans, organize the forces, and press vigorously the greastest campaign we have ever undertaken for Foreign Missions Every Christian in this nation is at this time called distinctly to this international Christian service. This association should undertake to raise a worthy part of the Million and a Half Dollars, and every church should voluntarily increase its contribution proportionately. The amount of increase for the whole South is 75 per cent. We recommend that the chuches of the association attempt the same increase.

THE HOME AND FOREIGN FIELDS, price fifty cents, is recommended to all church members. The Foreign Mission Board, Richmond, Va., furnishes FREE of charge all tracts for distribution. Order this magazine and these tracts and inform youself concerning what God is doing through Southern Baptists throughout the world.

R. A. KIMBROUGH, Chairman. M. R. STARK, L. G. COSSITT, Committee.

All now were asked tot join in singing "Rescue the Perishing." The report on State Missions read by Eld. W. B. May, spoken to by himself and N. T. Tull and adopted.

me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth." From this as well as elsewhere in God's Word we learn that all Missions are one, and put upon an equal basis. No Christian has a right to favor one Mission while opposing another, for "the field is the world." Our Saviour says: "Go ye, therefore, and make disciples of all the nations," and to do this most effectively we must first establish the work in "Jerusalem and all Judea," and to us this means in all Mississippi. State Missions is basal work. It lies at the foundation of all Missions, and unless we are strong and well supplied at home we can never be strongly aggressive abroad. Any cause, however good, that takes precedence over our State Mission is of place, and is but satisfying its present hunger with the seed corn of the future. A Christian people who neglect their own weak fields are not fit to be trusted with home or foreign missions. If we love not our brother whom we have seen, how can we love our brother whom we have not seen By our fruits at home we are judged abroad. It is unwise and unbibical to lengthen our cords unless we first strengthen our stakes at home.

In Missions as in war, a strong home base is all important. America is powerful abroad because she is strong at home. No country would undertake a foreign war without giving specific attention to home fortifications. In giving to State Missions we are helping all departments of our Missionary work for we thus create that home base so necessary for aggressive work. State Missions help to establish and stengthen our churches from which must come the missionaries and money with which to carry on our work abroad. Compare the amounts received for missions now with former years when we had not as yet established that list of churchces from which now comes the ever increasing stream of missionary endeavor. Eight years ago we raised scarcely \$26,000.00 for State Missions, but now lay down at His feet, whose we are and whom we serve, close to \$40,000.00.

Now, according to the statistics gathered by Dr. Tansing Burrow, statistician for the Southern Baptist Convention, there are 172,-480 white Baptists, while the negroes report 290,000. This makes 462,000 Baptists in Mississippi. At the same time there are at least 1,600 churches. While in our mission work this year we are keeping 1,600 churches. While in our missionaries assisting over 200 churches to in the field 12 general missionaries assisting over 200 churches to be pay their pastor, co-operating with the general association and the pay their pastor, co-operating with the general association and the theological work among the Indians, helping the negroes in their theological work at Jackson, and helping to build thirty houses of worship.

Again we ought to sustain State Missions in an aggressive and ever enlarging work from a patriotic standpoint, from a pure love of ones own people, and righteousness and truth makes the greatest sacrifices to bring the greatest amount of intelligence and integrity, sacrifices to bring the greatest amount of intelligence and integrity, the highest mora development, the best citizenship, the happiest homes and the strongest churches. These are some of the purposes and fruits of our State Mission work. No higher type of patrioism and fruits of our Lord loved Galilee and wept over Jerusalem. True Gosnel. Our Lord loved Galilee and wept over Jerusalem. True patriotism and the scriptures appeal to every Mississippi Baptist

to give the pure word of God to every Mississippian for His sake and

for the sake of the lost world.

When at the judgment we are called upon to give an account of our stewardship, we should be able to reply: "We found Mississippi occupied by aliens and rebels; we faithfully and boldly lived and preached the truth; in the spirit of our leader, we stormed every fort and captured every fortress of the enemy and brought the entire population of the state into subjection to our Lord." We should be able to say: "We found Mississippi the abode of many errors, heresies and false doctrines, but by help divine we leave the states sacred soil, with a flourishing Baptist church on every hilltop."

W. B. MAY. E. T. DUNN. J. D. CAMPBELL,

Sang "Nearer My God to Thee." The Report on the Orphanage was read by L. E. Renick. This report was spoken to by himself, Eld. W. E. Berry. Pending this discussion took up a collection for the Orphanage amounting to \$21.12, after which this report was adopted.

REPORT ON THE ORPHANAGE.

We, your committee on the Baptist Orphanage, feel that the Lord is in this work which cares for the orphan children. For by many words and deeds He manifests His interests in the children. He gave it as an evidence of pure and undefiled religion to take care of the widow and orphan in their affliction.

This plan of work was established twenty-one years ago and through the wonderful work in behalf of the orphans, up till this time. We have cared for about 900 children in the twenty-one years, many of whom have gone out from the home, and are filling useful positions in the world. Some are Missionaries in the Foregn Fields, some are school teachers, and hundreds of them are standing characters in other work all of which show the power of the home of which Bro. J. R. Carter is the father.

Our home is supported by voluntary contributions, we have no endowment except the love and loyalty of our people. For we know there are many orphan children who have the pleasure of being a member of this home, which is under the management of Christian people that throw around them the christian influence that trains them morally, and influence almost every one to become a Christian before they leave the home. So we should contribute liberally toward this home which is doing so much for Christ and the up-building of hu-

We heartily recommend the plan of once a month giving for our Sunday Schools, and a liberal Thanksgiving offering for our churches, and give each member of the churches and Sunday Schools an opportunity to give at these stated occasions, and our orphanage will be com fortably provided for.

We now have about 225 children in our home which need other as-

We also recommend that our pastors and people exercise great care in sending the children to this home, and sending only those who cannot be cared for in any other way, and pray for God's richest blessings to rest on them and the home. REPORT ON HOME MISSIONS.

The terms Home Missions with us means the missio nwork of Baptist in all the South and in Cuba and Panama Canal Zone. work is under the direction of the Home Mission Board of the Southern Baptist Convention and the Board is located at Atlanta, Ga., with

Dr. B D. Gray as corresponding secretary.

We raised about \$600,000.00 for this work last year and are out for one million dollars this year. The Board helps in all the states. Also does Mountain Mission school work, work with foreigners, negroes. Indians, and also has 25 evangelists, including one to the deaf and dumb. The Church Building and Loan fund is under direction o fthis Board and is soon to complete the \$1.000,000 fund. This Home Mission work is one of the big works of our denomination. There were more than 18,000 Baptisms the past year. We also do work on a large scale with our soldier boys in camps and across the sea at the R. A. KIMBROUGH, Com. battle front.

REPORT ON EDUCATION.

The spirit of education seems to be on the increase. Opportunities for securing an education are now enjoyed which were not offered to the former generation. Public schools are in every neighborhood and high schools almost in every county in the state. Besides the Agricultural High Schools in the bounds of this association, there are the the private schools at Blue Mountain for both sexes. Blue Mountain College for girls and Mississippi Heights Academy for boys.

The denominational schools in the state deserve our patronage and support. Mississippi College at Clinton, Clark Memorial College at Newton and Woman's College at Hattiesburg are doing good work for the Master's Cause.

W. E. BERRY,

N. S. HARRISON,

The Report on Publications was read by Eld. W. E. Berry, spoken to by himself, N. T. Tull, and adopted.

REPORT ON PUBLICATIONS.

What people read has much to do with their character. Parents should see to it that their children read only good literature. Much harm has been done by the cheap papers that flood the mails.

Your committee recommends most heartily the publications of our S. S. Board, the Home and Foreign Fields, a magazine which gives information about our mission work and the Baptist Record, our own denominational paper which ought to be read extensively among the churches.

Respectfully submitted,

W. E. BERRY, J. D. HOPPER, H. D. GOUDY,

Committee.

The Report on Temperance was read by W. M. Meeks, which report was discussed by himself and W. E. Berry and adopted.

TEMPERANCE REPORT.

The committee is glad to report progress in the great cause of Prohibition of the manufacture and sale of intoxicating liquors in our nation and in the world. The national amendment to the constitution to prohibit the stuff has been ratified by 14 states and not a single state has vet voted agains the amendment. When we get 36 states on the ratifying side we will have it. Bone dry measure for duration of the war, has passed and goes into effect July 1, 1919. The Anti-Saloon League of the nation is the great organization that is now doing the job. The Woman's Christian Temperance Union is a live wire along this line and we give our hearty endorsement to both these organizations. We call attention to the evil effects of the use of all opiates, narcotics and liquors. We urge the standing un to our officers in the enforcement of the laws against these things of such great harm. We are glad too, of the prohibitive price of the stuff and wish it to go still higher. Hurrah for prohibition!

REPORT ON SUNDAY SCHOOLS.

As we understand the Sunday school work and looking over the last report we find a considerable improvement in the number of schools in this association. Last year reported only 13 schools out of 32 churches. This year only 13 out of 27 churches have no schools. The order is reversed. However, the great importance of this work demands a greater effort to establish a Sunday School in every Baptist church in this association.

We believe that the Sunday school through the bounds of our association are doing a great work in teaching the word of God and developing our young Christians, and in teaching the way of life

to the unconverted.

But it is a lamentable fact that we haven't a Sunday School in every church and so few of our older Christians take an active part in the work. It seems to us that our greatest need is for more of our older church members to become interested in the work and devote some of their time and energy preparing themselves as teachers so that they will be able to lead and to maintain an interest that will make our Sunday Schools worth while and a joy for all those who attend:

Therefore, we would urge upon all the delegates and messengers to this association as we go back to our respective churches that we put forth greater efforts to build up and maintain an evergreen Sun-

day School in our church.

stitution of churches, to be governed by the abstract of principles of this Association.

Article 12. This Association shall correspond with sister Associations of the same faith and order.

Article 13. The minutes of this body shall be read, corrected and signed by the Moderator and Clerk before the session closes. No session shall adjoun, unless in extraordinary cases, until it has finished all its business.

Article 14. The Association shall have an Executive Board, consisting of Treasurer, Clerk and six other members, who shall be chosen annually.

Article 15. The Constitution may be altered or amended at an annual meeting by a majority of two-thirds of the members present.

ABSTRACT OF FAITH.

- We believe in only one living and true God—the Father, Son and Holy Ghost—and these three are one.
- 2. We believe the Bible to be the Word of God, and it is our only rule of faith and practice.
- 3. We believe in the total depravity of human nature ,and that man is dead in trespass and sin.
- 4. We believe that salvation is the gift of God by grace, through faith in the Lord Jesus Christ, and that sinners are justified in the sight of God alone by the imputed righteousness of Jesus Christ, which is with them that believe.
- 5 We believe in the doctrine of election—that God has from the beginning chosen us to salvation through sanctification of the spirit and belief of the truth.
- 6. We believe that the Holy Spirit accompanies the Word of God in the salvation of man, in answer of prayers of Christians.
- 7. We believe in the final preservation of the saints, and that all who truly believe shall be eternally saved.
- 8. We believe in baptism by emersion alone, and that none but true believers are proper subjects for the ordinance, and that none but regularly baptized and ordained ministes have a right to administer it, and that it is a prerequiste to the Lord's Supper, and that all who come to the Lord's table must come according to the Lord's word.
- 9. We believe that a gospel church is a band of true believers in Christ, who have been regularly baptized upon a profession of their faith in Him and that there are but two officers in the church—the elder, or pastor, and deacon.
- 10. We believe it to be the duty of each church to extend and circulate the Word of God as far as their means will enable them to do so.

11. We believe in the New Testament doctrine of Missions. That the great commission given to the desciples of Christ before his ascension, as recorded in Matthew 28:18-20, is obligatory upon the desciples of every generation; that the chief business of a church in the world is to give the Gospel to the world; that it is the solemn duty and the exalted privilege of the believer to extend the Master's kingdom by prayer, by personal effort and by the giving of money to the propagation of the Gospel throughout the world.

12. We believe in the resurrection of the bodies of men, and in the future and general judgment, and that the happiness of the righteous and the punishment of the wicked shall be eternal.
